

The Gatsby Student Arts Support Fund was launched in 2006 to support Columbia students in creating non-curricular arts projects that engage the Columbia community. Each semester, the Arts Initiative funds student arts projects, performances, and literary works. This funding is made possible by a generous gift from The Gatsby Charitable Foundation. Past projects have included concerts, dance performances, literary publications, musical theater, photography exhibits, and visual arts events, among many others.

To apply for a grant, please complete this application. This is an active PDF form: please fill in all fields, and be mindful of field word counts. A completed application must be accompanied by a project budget; the template can be downloaded from our website. Once the application and budget are complete, please email them to **artsinitiative@columbia.edu**.
